

# IBPS PO

The Institute of Banking Personnel Selection (IBPS) conducts a national-level exam every year for the recruitment of POs (Probationary Officers) in 11 public sector banks in India through the Common Recruitment Process (CRPPO/MT-XII). The IBPS PO exam has been administered annually since 2011, with the 13th volume scheduled to take place in 2023. The IBPS PO exam is conducted in three stages: prelims, mains, and interviews. The dates for the IBPS PO Prelims are September 23rd, September 30th, and October 01st, 2023, to be conducted online. The IBPS PO Mains will be conducted online on 05th November 2023.

Candidates who are between 20 and 30 years of age and hold a graduate degree are eligible to apply for the IBPS PO exam. The candidate qualifies to sit for the main examination based on the prelims score. The equi-percentile approach is used by the conducting authority to normalize the scores obtained by candidates in different sessions of the exam. Candidates qualifying for the IBPS PO mains exam are called for an interview conducted by participating banks and Nodal banks in the state or UT. The final merit list will be compiled based on the marks obtained in the mains and the interview.
