

Central Bank of India SO

Central Bank of India Specialist Officer is also known as CBI SO. The Central Bank of India holds the Recruitment Exam to fill the openings ranging from economist to data scientist to chartered accountant. The Central Bank of India will soon announce the opening of specialized officer vacancies in its different streams. It will contain all necessary details on education, exam date, eligibility, format, pay, and exam dates.

The two phases of the selection procedure are generally the online test and the interview. Only those who complete the online exam will be invited to the interview. Candidates can submit their online applications at the official website, provided they fulfil the credentials and eligibility criteria. Candidates are advised to confirm their eligibility before applying for the post.
