

# Bank of India

Bank of India is one of India's leading public sector banks and conducts recruitment drives every year to fill various vacancies in the bank. The Bank of India Recruitment Exam 2023 was released on 10 February 2023 for the position of Probationary Officer, offering excellent opportunities for young and dynamic individuals aspiring to build a banking career. On the official website, aspirants can submit their applications online. The three steps of the selection procedure are the written exam (also known as the IBPS Clerk Test), group discussion, & personal interview. A maximum of 500 positions for IT Officers in the Specialized Stream plus Credit Officers in the Financial Service Stream have been offered by the Bank of India. On February 10, 2023, the Bank of India released a hiring announcement for the position of probationary officer JMGS-I. The Bank of India PO Recruitment 2023 application deadline is February 25, 2023.

## About the Bank Of India

Under the Ministry of Finance, the Bank of India (BOI) is headquartered in Bandra Kurla Complex, Mumbai. Established in 1906, the government has owned it since nationalization in 1969. The Bank has over 5000 branches in India spread across all regions/union areas including special branches. The Bank came out with its first public issue in 1997.

Currently, the Bank has a foreign presence in 18 foreign nations spread across five continents – with 45 offices, including 4 Subsidiaries, 1 Representative Office, and 1 Joint Venture, at massive banking and financial entities in Tokyo, Singapore, Hong Kong, London, Paris, New York, and DIFC Dubai.

## Bank Of India Recruitment: Overview

The recruitment process will involve a written examination, a group discussion, and an interview for selected candidates. The written examination may include objective-type questions on reasoning, quantitative aptitude, English language, and general awareness. Candidates interested in BOI recruitment can visit the bank's official website or regularly check job portals for updates on job vacancies and application procedures.
